WHY YOU NEED IT

Give your business an industry-leading, secure, flexible solution that enterprise-level companies have been using for years. Our user-friendly solution is a Microsoft Dynamics 365 Business Central credit card processing extension makes it easy to accept payments and get going — and growing.

Merchants can quickly store cards securely and process payments with several processors and take advanced payment for orders in Microsoft's popular CRM product.

BENEFITS & FEATURES

Red Maple®

EASILY ACCEPT PAYMENTS WITH CUSTOMER SELF-SERVICE PORTAL

Customers can pay any way they choose, any time, when you combine Advanced Credit Cards for BC with our web-based, secure portal, Clever Division.
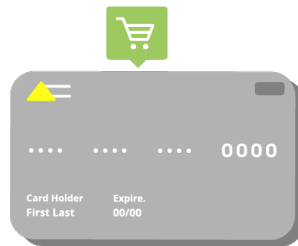

SIMPLIFY SET UP

Accept payments quickly with our user-friendly assisted setup and be up and running in minutes.
ACCEPT MULTIPLE CARDS PER TRANSACTION

Handle the most complex, B2B and B2C transactions with ease, whether it's order-to-cash or paying with multiple credit cards per sale in e-commerce and card not present scenarios.

FREEDOM TO CHOOSE YOUR PROCESSOR

Use the processor or bank that you already work with. Red Maple's multiple integrations allow you to save money and time using your pre-existing relationships.

STREAMLINE YOUR ACCOUNTING PROCESSES

Simplify your bookkeeping with a streamlined accounting process that handles multiple functions all in one platform.

FREQUENTLY ASKED ❓

How does the merchant get started?

Merchants or account representatives can engage with Red Maple easily. Please email us at **info@redmaple.com** to set up an introductory call or acquire information.

How much does the software cost?

Each solution for Microsoft Dynamics has a different price based on a number of factors. Since Red Maple does not focus on acquiring, we charge for our software. Simply reach out to **info@redmaple.com** for a quote or information.

Can I use Microsoft's AppSource to purchase the software?

Red Maple Advanced Credit Cards for Business Central will be available for purchase on Microsoft AppSource in January 2024.

What processors are supported?

It depends on which software you are using. Please click here to view our current Advanced Credit Cards for BC processors, or email us at **info@redmaple.com** to see if your processor is being added soon.

IS THERE ANY SPECIFIC MARKETING MATERIAL FOR EACH PRODUCT?

Yes, please refer to the software-specific battle card for each product and you can email **info@redmaple.com** for more information and literature.
