WHY YOUR CLIENTS WILL LOVE COUNTER SALES FOR BUSINESS CENTRAL.

- Clients can effortlessly **level up their retail sales**. They can seamlessly accept payments locally using a payment terminal integrated into their Dynamics 365 BC payment screen.
- Clients will love streamlining their ordering, selection, and payment processing in a **single, trusted application**. Plus, Counter Sales BC will save them time by automatically preparing deposits for easy reconciliation behind the scenes and provide real-time payment confirmations.
- Counter Sales is **compatible with a wider range of processors than any other solution**. It connects to most processor payment terminals via web sockets. This allows your client's customers to keep their existing processor's payment terminal, **reducing interchange rates**.
- Since Counter Sales BC uses the order interface from Dynamics 365, your clients will love that their employees only have one screen and workflow to learn. Plus, with its intuitive, native design, experienced users require little instruction—**reducing training costs**.

HOW YOUR CLIENTS CAN BE UP AND RUNNING QUICKLY.
